\$5000 Grants from TERP for CNG pickups

+

On-site fueling under \$1.34 per gallon equivalent

<https://www.tx-cng-pickup-grants.com/>

Bi-fuel trucks can run on
Gasoline OR **CNG/RNG**

No "Range Anxiety" bi-fuel (CNG/RNG + gasoline) Trucks

- Fuel with both **RNG/CNG** and **gasoline**.
- Run on **CNG** till you run out, automatically switches to **Gasoline**.
- **600 miles extended range** (when needed) using **both** full-size **Gasoline** tank & **Natural Gas** tank.

ROI calculations

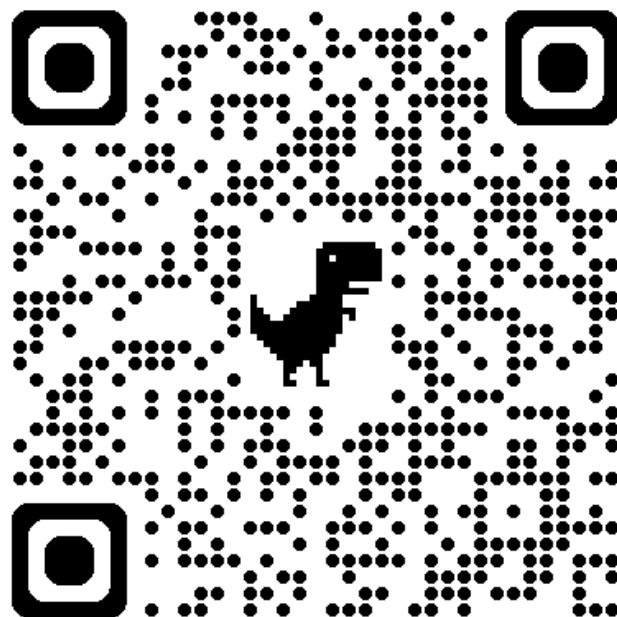

Conversion Package Installation:	\$16,495
TERP Early Bird Promotion (Nov '25):	-\$1,500
Discounted Cost:	\$14,995
TERP Grant:	\$5,000
Net Cost:	\$9,995

Miles per year:	40,000
Gallons used @ 10 MPG:	4,000
Savings per gallon:	\$1.25
Fuel cost savings per year:	\$5,000

Payback in **Two years**
6 years net gain: $6 \times \$5,000 - \$9,995 = \mathbf{\$20,005}$

Choice of Ford pickup trucks

Wing Fuel Systems has Over 300 EPA certified bi-fuel and dedicated vehicle platforms!
